Sorry I missed sending the infomercial last week. I ran out of time. I had a last minute opportunity to visit our Sister City, Brampton, Canada (I am the liaison for the City of Miami Beach) on a cheap last minute airfare and took it. I learn so much from these trips seeing how they deal with many of the same issues and problems we have. I am thankful to have these opportunities.

Collins Park News:

Monday May 10th at 5PM, the Transportation and Parking Committee will take up traffic and safety issues on Collins Avenue between 23rd and 24th Street. This is your chance to speak, so come and attend the meeting at 1755 Meridian Avenue, S#200 in the new parking garage that has opened next to City Hall.

Mark your calendars now for our CPNA membership meeting to be held May 18th 6:30 to 8:30PM at the Gansevoort. Commissioner Jorge Exposito will be our guest plus the public works department will present the plan for the new linear park along Washington Court and the Collins Canal. 22nd Street will become a one way street west between Park Avenue and Washington Street. This will be a very informative meeting and you won't want to miss it.

The Artists at the CANDO Arts co-op have created chairs for a new exhibit this month called "Art of Chair". Stop, buy a raffle ticket, and vote for your favorite chair. The Artists have donated works for the raffle that will raise money for future programming of this space. The hours are Thursday and Friday 4-7 PM and Saturday and Sunday Noon to 6PM. 309 23rd Street, corner of Liberty Ave. This is the only gallery in our Collins Park Neighborhood. Please support its efforts. CPNA is a sponsor. That means you! Thanks.

This is Museum Month. If you already belong to the Bass Museum of Art (Collins Park's only Museum), you can go to every other Museum in South Florida during the month of May for free. Experience them all! If you are not a member, **NOW** would be the time to join. It will be the biggest Bang for your Buck. It could be a great Mother's Day gift. Remember, Mother's Day is Sunday May 9th. It is an easy gift that will be enjoyed all year and you don't have to worry about if she likes it or if it fits.

Music will include Francis Poulenc's Sonata for Violin and Piano, written during the German occupation of France and dedicated to the memory of Ferico Garcia Lorca, the Spanish poet murdered by fascist troops, and Bruce Saylor's "Dante Suite" inspired by Dante's Inferno.
