Collins Park News:

Prakash Kumar and I went to the Transportation and Parking meeting on Monday 5/10/10 to discuss the safety issues with the intersection at 24th Street and Collins Avenue. They suggested I meet with Xavier Falconi to discuss the issues so he could get FDOT involved since Collins Avenue is a state road. We had our meeting yesterday and I will keep you posted on any changes forthcoming.

Collins Park Cultural Events this Week

Sunday May 16th, Bass Museum's Family Fun Day 2-4 PM

may 16

IDEA@thebass family day

sunday, 2:00-4:00pm, FREE

Implementing the innovative **IDEA@thebass** programming by Dr. von Lates, in conjunction with Stanford University's acclaimed Hasso Platner Institute of Design – the program encourages creative thinking. Inspired by the Bass Museum's collection and exhibitions, the workshops are led by professional artists and geared to the entire family.

While you are enjoying family fun day at the Bass, don't forget to **check out the chair exhibit at the CANDO Arts Co-op**, 309 23rd Street, corner of Liberty just 2 blocks from the Bass Museum, This is Collins Park's only Gallery and I ask you to please support it. Buy a raffle ticket good for many pieces of art donated by the CANDO Artists and vote for your favorite chair. Drawing will be May 30th at an artist reception at 6PM. Hours are Thursday and Friday 4-7PM and 12- 6PM on Saturday and Sunday. This is our way to enjoy Memorial Day Weekend.

Thanks and have a great week.
