Collins Park News:

So You Think You Can Dance, season 7, on channel 7, is here and our own **Alex Wong** is one of the top 11 contestants.

This will bring great exposure to our community, so watch and VOTE as many times as you can for Alex. He is a powerful and technically perfect dancer mostly due to the excellent training he received under the artistic direction of Edward Villella at Miami City Ballet.

Remember, Talula's **Andrea Curto-Randazzo** is on Bravo's Top Chef program airing June 16th at 9PM.

This overlaps with So You Think You Can Dance, so you'll have to tape one.
