The Rhythm of the Night

BY AMANDA MCCORQUODALE

If you're into crazy freeform jazz, get your kicks this Sunday during **Straight Jazz/No Chaser**, an outdoor concert at the SoBe Institute of the Arts, located in the historic Carl Fisher Clubhouse. Cool off the thick July air by grooving to the **sounds of Dei 7, a project of jazz vocalist Derin Young**, a singer who has wailed with the likes of Lenny Kravitz and Living Colour and whose Afro-Cuban stylings are steeped in the traditions of jazz and blues. **Young's genius will be joined by Venezuelan pianist-composer Silvano Monasterios, whose ivory tickling was nominated for a Grammy in 2008** and will be enjoyed by you, all in the name of a new brand of urban jazz. This Cultural Production-sponsored happening, complete with a cash bar, begins at 7:30 p.m.

Tickets cost is \$20 at the door and benefits the educational programs at the SoBe Institute of the Arts. A cash bar and art exhibition will also be on hand.

Have a great week.

Thanks,

Ray
