**I hope you all had a Happy Thanksgiving weekend with your families and friends.**

### **This week is Art Basel Week**

**There are MANY sponsored events all around Collins Park to compliment Art Basel.**

There are Art events at the Library, Miami City Ballet, The Bass Museum, The Botanical Garden, SoBe Arts in the Carl Fisher complex and of course the new **Art Basel Oceanfront Nights** at the Beach between 21st and 22nd Streets where the containers have been in past years. This is a different venue that will be open nightly from 6PM to midnight. They will serve food and drinks as well. There are auxiliary events at the Riviera South Beach, The Catalina Hotel and Beach Resort, the Dorchester and almost every other hotel in our neighborhood. **This is Art Week everywhere.**

Below is the information for the CANDO Arts Coop at Palm Court that CPNA is co-sponsoring. It is open noon to midnight Dec. 1st to 6th. Sometime during that 72 hours, I hope you can all stop in and see what this neighborhood can really be like. Today it is a vision but tomorrow it could be reality. It is my first attempt at curating an Art Space. Let me know what you think. I want to extend a special thanks to Ron Bloomberg for making this space available to the artists for Art Basel Week. Note we have an Artist Reception on December 2nd 7-11 with music by Sonido Batido, the same Latin Jazz group we had for Sleepless Night. It will be a great night if you can make it. This is a FREE event.
