Don't forget what makes the holiday season perfect. Order your tickets today!

Collins Park Business

Mark your calendars now for our annual meeting to be held Tuesday, January 19th, 2010 at Miami City Ballet at 6:30 PM. There will be a student performance at 7 PM. George Neary from the Greater Miami Conventions and Visitors Bureau will be our guest speaker and have goody bags for all the attendees. We will honor Talula Restaurant as our business of the year and Carson Kievman will receive the award of excellence for his dedication to education in the performance arts. This will be an evening not to miss. Our annual meetings are the highlight of the year, better than a holiday party.

We will also be installing the new board for 2010. We currently have openings. If you would like to get involved, PLEASE call me at 305-772-5665. We need good people who can help move our association to the next level particularly with computer skills in organizing our membership categories for targeted communication instead of just my add on email list.

Other neighborhood news

Maxine's Restaurant at the Catalina is now open 24 hours, 7 days a week and offers both take out and delivery. Almost everything is under \$20. This is a real plus for us. Phone 305-674-1160 x2604.

Our long anticipated Collins Park Brochure has been printed and distributed. It includes an artistic map of the neighborhood designed by local artist Sid Daniels, a brief summary of our historic district and cultural institutions and a listing of lodging, restaurants, retail businesses and clubs in our neighborhood. Harvey Burstein headed the committee to design and get this brochure printed and I want to thank him for his excellent job. You can see it on our website or pick it up from any of the listed businesses. I'll also make sure it is in the goody bag at our annual meeting....another reason to attend.

The Green Market is finally coming to Collins Park starting Sunday January 3rd, 2010 from 9AM to 6PM in front of the Library on 22nd Street.

This will be like no other market you have seen with over 30 vendors, cooking demonstrations and more more more. Watch for grand opening details and don't forget to tell your friends! It will only be successful if we support it. Oh, and there will be a special offering in the goody bag at the annual meeting....another reason to attend. Mark that Calendar, January 19th. It's all happening, finally, in Collins Park.

This week at the Convention Center

Sunday December 13th, there will be a fireworks display as part of a welcoming ceremony at the Convention Center around 8 PM.

It will last only a few minutes and will be in the west parking lot on Convention Center Drive.

Have a great week.

Thanks,

Ray
